The '¼ page' adverts are for local businesses and we guarantee that they are always printed. This often results in a 'waiting list'. BEWARE

[The following event is alledged to have occurred recently. Ed]

About 6.45 pm on Saturday 13th May as I was waiting at the side of the ring road, near the junction with our road, a small black car (Registration Number N655ETS) carrying a number of young people pulled in to the entrance to our road. I thought this was strange, and watched as they let a car pass, then pulled close to me as they joined the ring road again. As the car came close, the lad in the back seat wound down his window, smiled and then threw a lit fire cracker at my feet. Fortunately I realised what it was and had enough time to turn before it went off. Although shocked, I am grateful that it was me and not my children (whom I was waiting for) who received this treatment, as who knows what damage might have been caused. The police have been informed, and I only hope that this was an isolated incident in our village. If you know who owns this car, please contact the police, for our own safety.

The police say the car is registered up north and seem not be taking it further, thinking it may just be a one off - I hope that is the case. I'm sure they have better things to do with their time!

Name and address supplied

Sir,

I had a letter in the BHN recently concerning the 'eyesore' at the village entrance ... the old Barber's Shop.

Apparently, at the time, there was a wrangle going on about access to it for contractors to knock it down; the Moat House owned the land and without permission, the Parish Council was powerless to do anything about it ... stalemate!

But now, as I understand, the hotel is owned by an American company, access has been given to the Parish Council to knock it down, or whatever they decide to do to it. Now the go-ahead has been, let's hope we can see the back of 'that building' in '06. So come on, Barber Shop owners, let's have some action ... now!

Nick Richardson

Dear Editor

I would like to thank you very sincerely, through the Bar Hill News, for the great amount of support I received in the recent elections. I am very pleased to have been re-elected: it was a pleasure having the opportunity to meet with so many people and have some very interesting discussions. I will continue working for residents of Bar Hill, especially with the Post Office for its opening. I hope that you will contact me with your ideas for any improvements or if you think I can help with a problem.

Best wishes and thanks

Bar Hill Sports and Social Club

Hello everyone and welcome to June's Sports and Social Club news. The nights are getting longer and hopefully the weather getting warmer.

The refurbishment of the new club is gathering great speed now that the roof is in place. We are hoping that the new club will be ready to serve its first drink early August.

The Football World Cup begins on June 9th and the Club will be opening to show all of England's 1st round games on Saturday 10th June, Thursday 15th June & Tuesday 20th June. The club will be open from 4.00pm on Thursday 15th June as the kick off is at 5.00pm. Come on down to the club and give the England boys some support.

As I write this the Membership draw has not been won. The next draws will take place on Sat 10th June & Sat 24th June between 8.30pm – 9.30pm. Remember you must be in the club with your membership card at the time of the draw to win.

There is a possibility the Football Club will be holding a 'Race Night' on Saturday 24th June but this has not been confirmed yet. Check in the Club for further details.

The Bar Hill Fete is taking place on Saturday 1st July and the Sports and Social Club will be organising a 'Can Bar' serving canned Lager, Beer and soft drinks on the village green from 2.00pm. The Sports and Social Club will be open from 12.00pm – 11.00pm.

That's all the news for now. Hope to see you all at the Fete and in the club soon.

Cheers
Bill Proudfoot

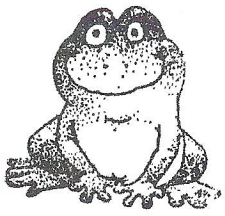
Old Fields of Yesterday



Where the dew lay heavy in the early morning
And the sun's rays strike on the crop right low
You can see the line where the old-time hedges
Run around the fields so long ago

They're big fields now but these shadows tell me
How different once the land did lay
With men working from dawn to twilight
On the old fields of yesterday

They opened them up and there are tractors roaring
Along where the horses used to plod
'Though they work fast they're a whole lot duller
As they ride along where the ploughboy trod

But spare a thought for the ones who laboured
we kind of ow them a debt I'd say
All of them put their lives in the land
In the fields of old yesterday

Friends of Bar Hill Library

The coffee morning held in the library on 4th May was well attended. Among the many topics discussed was the good news that we may be getting a post office in the library in due course. Jenny Knights is the very enthusiastic leader of the Reading Group which is going very well: she would welcome new members to join.

We are planning our book stall for the Bar Hill fete on 1st Julu and would welcome any offers of help to set up from 10 a.m. or to sell. There will be a list on our notice board in the library where you can enter your name against a time during the day, that you may be able to help. There will also be a summer social for the Friends of Bar Hill Library on 11th July from 6 to 8 p.m. Tickets will be available in the library at 50p each. We look forward to seeing some of you at our events during the summer.

SHOW YOU CARE AT THE TOUCH OF A BUTTON

Anyone interested in becoming a foster carer or adoptive parent can receive the information they need at the press of a button thanks to an internet service.

The Fostering and Adoption pages on Cambridgeshire County Council's Internet site (www.cambridgeshire.gov.uk) include an online enquiry and information request form providing a simplified information source which is easy to navigate.

Cambridgeshire County Council has a freephone information line (0800 052 0078) for prospective foster carers and adopters where people can request further details and an information pack.

County Council Head of Fostering and Adoption, Jackie Coventry, said: "Many people now have access to the Internet and use it as their main source of information. So we wanted to remind people that they can now easily access information on how to become a carer and to give them information on the financial assistance and training support we provide for people who help us look after some of the most vulnerable young people in our community."

There are currently around 350 children in the care of Social Services in Cambridge and 141 Foster Carers. Nationally there is a shortage of foster carers, a situation which is reflected in the need for more people to come forward in Cambridgeshire.

Children of differing ages and backgrounds become looked after by Cambridgeshire County Council for a wide variety of reasons, some for a few days and others need long term permanent care. Cambridgeshire's fostering and adoption team is looking for people from all walks of life who could offer caring and supportive homes to children and young people.

It doesn't matter if applicants are married, same sex couples, single or living with a partner, working, or unemployed, with or without children of their own, white or from an ethnic minority - people need energy and a willingness to look after a child or young person who needs support.

In return, the Fostering and Adoption Services offers:

* Financial support
* Excellent preparation and ongoing training
* NVQ study opportunities
* Essential equipment
* 24-hour support from specialist Social Services staff

It is essential that Cambridgeshire has a large network of foster carers all over the county, from all sorts of different cultural, religious and ethnic backgrounds.

"Although fostering is not an easy job to undertake, it can be a very rewarding one. Some of our current Foster Carers have been with Cambridgeshire for over 30 years! Foster Carers help many children to get the chance they deserve in life," added Jackie Coventry.

Anti-Social Behaviour

There have been problems with anti-social behaviour such as verbal abuse around the area of the retail outlets in Bar Hill recently. We can only advise people that if they see or hear of such behaviour then the Police should be called immediately.

Lost and Found

The Parish Council office is currently holding a mobile phone, a set of car keys with house key attached and also a separate house key (with a distinctive BMW fob). These have all been handed in recently so if you think they could be your please give me a call.

Farmhouse Youth Group

I would like to say a big thank you to the Austin family for kindly donating a PS1 along with assorted games that will be given to the Farmhouse. I am sure they will get a great deal of usage from this.

Vacancy for Co-Option

There are currently three vacancies for a Parish Councillor. This will be advertised for 4 weeks so if you would like to have a say on what goes on in the village and feel that you could commit a couple of evenings a month to attend meetings, also the occasional site visit to try to solve problems, then please apply in writing to the Parish Council office.

Footpath between Otter Gardens/ Viking Way

The Clerk is preparing the documentation for an application to have this footpath made a public right of way. She needs at least 7 more people to write in to her with evidence that they have used this footpath regularly over the last 20 years. Telephoning/calling to see her and verbally reporting that this is so will not do - the County Council requires a written/typed letter. If you care about this footpath then you need to do this if it applies to you. It is the only way to make it available for public use.

"Concessionary" Bus Fares

This is an issue which concerns many residents. South Cambs District Council's Scrutiny and Overview Committee will be examining the implementation of the Government's Concessionary Fares Scheme at its meeting on Thursday 15th June at 2pm at its offices in Cambourne.

Under the Committee's procedural rules, members of the public are permitted to ask pre-submitted questions at its meetings.

Please contact Patrick Adams, Senior Democratic Services Officer if you have any queries regarding this.

The next monthly Parish Council meeting will be on Thursday 15th June at 7pm in the Parish Council Office.

We are situated in a purpose built building adjacent to the School, with direct access from the playground.

We provide Childcare for children aged 4-11 in a safe and caring home from home environment, with trained and experienced staff to care for them.

Our sessions provide the children with a wide range of activities from pool to computer games, dressing up to craft activities and lots more or if they wish they can chill out on our comfy sofas. We are also able to use the safe environment of the school playground for our many outdoor activities.

During the holidays we have themed activities, which the children are involved in choosing, as they are with many other issues, such as outings etc - as it is their Club, they even chose its name.

The children are given a snack e.g. pasta, filled pittas etc, followed by a biscuit and fresh fruit. We also make birthday cakes to celebrate each child's birthday, which are shared.

We are registered with OFSTED, which enables parents who are eligible for Working Families Tax Credit, to claim up to 70% of their childcare costs.

District Councillor's Report

POST OFFICE

I am pleased to report from the meeting this week with Post Office staff, Library staff, Project Manager and of course Harry Parekh, our new Post Master. The plans for building the project are being put in place then will go out for tender: CCTV is to be installed. Once all the plans are in place the building work will take about 2-3 weeks. It is anticipated that the Post Office will open in September.

DAMAGE TO VERGES/HCV IN THE VILLAGE

I have been having discussions with the County HCV Route Manager regarding these problems, one thing we have discussed is putting double yellow lines on parts of the perimeter road to dissuade drivers from parking. This is an ongoing situation though, and will not be easy to resolve.

CONCESSIONARY BUS PASSES

I delivered, with our MPs, James Paice and Andrew Lansley and four other councillors, to No 10 Downing Street, the bus pass petitions which were signed by so many residents of South Cambs. We are still waiting to hear whether any sensible offers have been made to sort this ridiculous situation.

News from Cambridgeshire Police

HOW CAN I HELP??

If you see or hear anything suspicious, or think a crime is being committed - this is the kind of information which will be useful to the police:

- TIME
- DATE
- PLACE
- PERSONS
- VEHICLES

Description of Persons -

Note as many details as you can but be sure of your information. Include such details as sex, age, build, height, colour and dress. Is there anything really outstanding about the person or persons?

Description of Vehicles -

Are these people in a vehicle or is there one nearby that is not normally there? What is the REGISTRATION NUMBER, COLOUR, and MAKE. Is there anything unusual or outstanding about the vehicle?

TELEPHONE PREFERENCE SERVICE

In recent weeks I have visited a number of organisations and one of the topics which appears to be of concern to the elderly is that of nuisance phone calls. If, like myself, you find it frustrating, you are about to start your meal or you are out in the garden when the phone goes - you answer,

and there at the other end is a person who states they will not keep you long, then they start their sales pitch. Firstly they have got your name wrong, then they just happen to be in the area or you have been selected, whatever the reason. Therefore today I am passing onto you information

which was passed onto me. Some of you may know about this but, then again, others will not have heard about the scheme. Below are the details I have obtained:-

What is TPS?

The Telephone Preference Service (TPS) is a central opt out service register whereby individuals can register their wish not to receive unsolicited sales and marketing telephone calls. It is a legal

requirement that companies do not make such calls to numbers registered on the TPS.

Who can register?

The term "individual" includes consumers at their residential address, sole traders and, except in Scotland, partnerships.

How long will it take to become effective?

Once a number has been registered it will become effective in 28 days.

Is there a charge for registering?

No it's free to register on the TPS.

Who pays for the TPS?

No money is received from the Government to run the Service - the direct marketing industry pays for it.

So, simply, it is a service that helps you to make sure your telephone number is no longer available to organisations that may telephone you with offers and information you do not wish to receive. Before you register however, you should reflect on the fact that registering may well prevent you from receiving information which you would really like to have - thereby cutting you off from relevant and worthwhile opportunities. Registration will prevent organisations that regard you as a customer from calling you again, unless you have previously told them that you have no objection to them calling you.

TREFOIL GUILD - LAUNCH!

Trefoil Guild starting in Bar Hill!

What is the Trefoil Guild?

A non-uniformed section of the Guide Association, The Trefoil Guild enables men and women to maintain their links with Guiding. It aims to keep alive the spirit of the Guild Promise and Law and offers practical help to Guiding.

Support, Fun, Friendship and Challenge

The Trefoil Guild enables men and women to establish and, more often, maintain their links with Guiding. Members do not wear uniform.

The Trefoil Guild's prime aim is to support the Guide Movement. It provides friendship, fun and activities for its members as well as support for the Movement and the community. Support for girls and adult leaders takes the form, among many other things, of helping at occasional meetings and camps, sharing interests and skills, testing badges, providing transport, offering hospitality (sometimes for overseas visitors), and many other things.

The Trefoil Guild offers its members opportunities to meet with friends, develop interests, tackle new challenges and enjoy holidays together. Membership also involves being active in a wider community, as an individual or as a Guild, through voluntary work or other commitment.

A new branch of the Trefoil Guild will start in Bar Hill shortly. Please contact Wendy Arrowsmith if you are interested

Happy Hours The recycled youth club

Last month I reported that we had sent a petition to the Prime Minister, from our members, respecting the absurb situation of free bus travel for the over 60's, in this village. At long last we have had a reply from Downing Street, to the effect that our letter has now been passed to the Ministry of Transport. We await any developments.

Pedal Cycles

My wife was recently hit by a lady pedal-cyclist, and received severe bruising. Some years ago the Police insisted that all cyclists had a bell or other warning instrument on their cycles. I would ask parents, and indeed all cyclists, to see that there is a bell or other such warning instrument on their cycles, so that they can warn pedestrians when cycling on the paths of the village. This could save further similar accidents.

Raffle

Our next raffle will be held on Monday 5th. June, when the proceeds will be donated to the The Rosie Hospital.

New Member

We are pleased to welcome Shirley Florence, a new member of our Club. I am sure she will enjoy our company, and will join in the various activities of the Club.

Club Officers

At a Committee Meeting held on Monday 8th. May, Neville Clark was appointed as Hon. Secretary, and Joan Tanton was appointed as Speaker Organiser.

Lunches

As from Monday 5th. June, our lunches will revert to the summer season meals offish, meat or pate salads.

Outings

On Wednesday 3rd. May, we had a day out at Bury St. Edmunds. We were fortunate to have bright sunny weather, and were able to enjoy the beautiful Abbey Gardens, or view the inside of the cathedral building, including the newly built central tower. Elsewhere in the town, was the Wednesday market, with its many stalls. Our next outing will be held on Wednesday 14th. June, when we shall be visiting Nottingham for a three hour boat trip on the river Trent. The boat trip includes a roast beef lunch, followed by apple pie and cream, with plenty of tea or coffee. There will also be a licensed bar.

Holidays

As I write this column, many of our members will be packing their suit-cases ready to catch the coach on Sunday morning, 14th. May. Thirty-five members will be travelling to Folkestone for a six day holiday. Staying at The South Cliff Hotel, we will be visiting various attractions during the week. More details next month.

Vote of thanks

Neville Clark has asked me to thank the many members of the Club, and other friends, who attended his wife's funeral on Monday 24th. April. Donations from our members totalled £100-00, which together with £25-00 from Club funds, has been donated to the British Heart Foundation in memory of Margaret

Sickness

I know of no recent cases of illness, but our thoughts are with those who are not able to attend our meetings at present.

Dennis Holt. 780948.

Bar Hill School PTA Fun Day will take place straight after school on Friday 16th June 2006 until 7pm.

There will be stalls, refreshments, bar, B.B.Q., cream teas, bouncy castle, assault course, and many other attractions for the whole family.

So come along, chill out, wind down and get ready for the weekend and help raise much needed funds for the school.

Julie Marin

Under Ones

Under Ones meet on a Tuesday morning between 10am and Midday in the Octagon during term time. All are welcome: pregnant mothers, new mums, carers, grandparents, fathers. Friends of the Rosie

Would you like to say "Thank you" to the Rosie Hospital?

The Friends of the Rosie raise money to buy the medical equipment that Addenbrooke's and the NHS does not provide. Please send a donation via our website at www.rosieinstitches.org.uk or send a cheque made payable to Friends of the Rosie to Mr D Sanders, 145 Gwydir Street, Cambridge, CB1 2LJ.

Other ways you can help the Rosie are:

- By donating time instead of money - as a driver for our elderly knitters in return for an enjoyable day and lunch - having a basket of our toys and clothes to sell on our behalf.
- By enjoying a drink with biscuits whilst awaiting your appointment at the Rosie.
- Buying one of our hand-made items (see our selection of hand-made toys and clothes up to age 4 at the Tea Bar in the Rosie Outpatients).
- By helping serve in the Tea Bar.
- Visiting our large stall at Addenbrooke's Outpatients, or one of our small displays in the Breast Screening Clinic or Clinic 5 in Addenbrooke's, and at Hackers Farm Shop in Dry Drayton.
- By donating wool and other craft materials.

We have a stall at Addenbrooke's Outpatients on 15th and 30th May, 14th and 26th June, 10th and 26th July. Addenbrooke's Open Day is on 20th May.

Avril and Jo would like to thank those friends that have already made a donation to our supplies, and we will continue to welcome donations of items for sale, wool and ribbons etc at 111 Hillcrest or 11 Almond Grove.

Thank you for your support in whatever way you can.

Post Office Facilities

Now that the Bar Hill Post Office has closed, while we await the negotiations which we hope will lead to alternative facilities becoming available, here is some information about other Post Office branches in the area.

The nearest Post Office with basic services is at 1 Robins Lane, **Lolworth** and is open from 9 to 1 Monday to Saturday. There is a public footpath across the field opposite the bus shelter near the park (between Viking Way and Oatlands Avenue). This Post Office does not issue Motor Vehicle Licences (Car Tax Discs). Dry Drayton and Madingley do not have Post Office branches.

Other Post Offices in nearby villages that are able to issue Car Tax Discs as well as basic Post Office services include:

10 High Street, **Longstanton** open from 9-1 and 2-5:30 Monday, Tuesday, Wednesday and Friday; 9-1 Thursday and 9-12:30 on Saturday

5 Market Street, **Swavesey** open from 9-12:30 and 2-5:30 Monday, Tuesday, Thursday and Friday; 9-12:30 Wednesday and Saturday

6 High Street, **Histon** open from 9-12:45 and 1:45 to 5:30 Monday to Friday; 9-12:45 Saturday.

Cambridge Road, **Hardwick** open from 9-1 and 2-5:30 Monday, Tuesday, Thursday and Friday; 9-1 on Wednesday; 9-12 Saturday

Post Offices may also be found in many other nearby villages including Oakington, Coton, Impington, Willingham, Comberton, Cottenham and Fenstanton. This information is believed to be correct, but if you wish to check any of this information or obtain details of services available at these and other branches please call **08457 223344**.

Cricket Club

The junior teams are leading the way for Bar Hill as the new cricket season gets into full swing. The under-12s and 13s have already notched up wins, with some fine individual performances along the way.

Not least of these was Adam Wright in the under-12s. Adam had never bowled for the club before when he took 5 wickets for 1 run to help bowl out Histon for 52. Captain Sam Clare then hit 39 not out as Bar Hill won by 9 wickets.

In the under-13s, a maiden 50 by captain Dom Gedny could not quite inspire victory against Cottenham as the game ended in a tie, both teams making 108. Ben Dugan took three wickets in Cottenham's innings.

The team followed that up with an emphatic 92-run victory over Cambourne, with Sam hitting 48 not out and sacrificing his 50 so the team could declare and try to bowl Cambourne out before it got dark! They succeeded, as Sam took four wickets and Jason Churchley, Matt Churchley and Ben Dugan got two each.

At the time of writing, the under-15s' only game had ended in defeat to Bassingbourn, despite four wickets for Stuart Humphrey and 38 not out by captain Vicky Neal.

The highlight for the senior team was undoubtedly a six-wicket win over Cambridge St Giles II in the Junior Cup. On a day when scoring runs was tough for both teams, Phil Pelling's 30 and Phil Walmsley's 33 not out were crucial as Bar Hill overhauled their target of 112.

The first league game of the season, however, ended in a five-wicket defeat by St Ives II despite Scott Stanford's 45 and Dave Cullum's 32.

Notable performances in the pre-season friendlies came from Dave Fletcher (61 not out v NCI), David Rush (4 for 20 v Girton and 65 v Little Shelford), Martin Cullum (4 for 38 v Little Shelford) and Craig Driver (46 v Little Shelford).

The second team's first league game of the season, at Somersham, was abandoned.

Look out for the club's barbecue and baked potato stall at the Village Fete on July 1, and the 20-20 tournament on the Village Green the following day. All spectators (and new players of any age) welcome.

Finally, once again we give our thanks to the Sports and Social Club and Andy's Kars for their ongoing support of the club.

FREQUENTLY ASKED QUESTIONS ABOUT WASTE DISPOSAL AND RECYCLING IN CAMBRIDGESHIRE AND PETERBOROUGH

1. What happens to my paper waste when collected by my district council?

The old magazines, newspapers and junk mail we collect from you are sent to UK re-processing facilities and are made into more paper for newsprint primarily, but also into other products such as manila envelopes and cardboard.

2. What happens to my cans when collected by my district council?

They are separated into aluminium and steel at licensed premises in the UK. Then they are smelted to be used in a whole range of items, from more cans and washing machines to cars and even planes and ships!

3. What happens to my glass bottles and jars when collected by my district council?

They are sent for re-processing to produce new glass containers: so by recycling your Marmite jar, you give it the chance to maybe be part of a champagne bottle!

4. What happens to my plastic bottles when collected by my district council?

Plastic bottles are sent for re-processing. A proportion of them are transformed in the UK where markets are available. The rest is sent abroad for recycling. It is important to highlight that there are bigger markets for the re-processing of plastics abroad than in the UK, therefore by exporting these recyclable materials, we satisfy a demand for materials. The plastics are made into a range of items, from clothing, such as fleece jackets, and filling for duvets to drain pipes and wheeled bins.

5. Why can only certain types of plastic be recycled?

Plastic are as diverse as their use. Different types of plastic require different type of treatment in order to be recycled. Currently, the re-processors we use do not have the facilities to recycle all kinds of plastics. However, we accept plastic bottles made from (1) PET, (2) HDPE and (3) PVC, which include all soft drinks bottles, bleach, shower gels, shampoos and conditioners.

6. What happens to my garden and kitchen waste when collected by my district council?

All the garden and kitchen waste produced by householders in Cambridgeshire is sent to two local contractors. One of them is based in Waterbeach and the other in Ellington. They have approved licenses to process even meat, bones and dairy products. All the contents from your garden and kitchen bin or paper sack are transformed into soil conditioner, which is used by local farmers and is also sold to residents to enrich gardens and allotments.

The garden waste you take to any of our Household Recycling Centre is also sent to our contractors in Waterbeach, Ellington and March.

7. What happens to the recyclable materials collected at the Household Recycling Centres?

All of the recyclable materials are sent to re-processors to be recycled and transformed into something useful.

8. What happens to the waste that cannot be recycled?

All the waste that is not suitable for recycling is sent to landfill. Cambridgeshire has a few designated and approved landfill sites that deal with our waste. The availability of landfill space is limited and is running out; therefore it is important to recycle and compost as much as possible.

9. How does my council ensure that my recyclables are actually recycled?

Comprehensive data is collected, audited and verified at different stages, to make sure that good-practice is observed by all of our contractors and that residents' recycling efforts are worthwhile. In the case of a suspicion of failure to comply with contract, a full investigation would be carried out.

10. What process is followed by my council when choosing a contractor to collect, recycle or dispose of my waste?

All of the Councils in Cambridgeshire and Peterborough have well-defined contract regulations in line with European and UK Legislation. When awarding contracts, a comprehensive tendering process is undertaken to ensure that not only do we obtain the best value for taxpayers' contributions but also that good environmental, ethical and health and safety practices are in place. All of our contractors are licensed waste carriers and we obtain evidence when we let the recycling contracts that the companies have market outlets for the material the councils collect.

11. Does my waste get exported to third-world countries for disposal?

No. All the waste produced by Cambridgeshire residents that is not suitable for recycling is landfilled at authorised sites in Cambridgeshire. Cambridgeshire County Council fully complies with national and international legislation in the transport and disposal of waste.

Arts Development in Your Area

SNAP! Summer Academy 31st July-4th August

This summer the South Cambridgeshire arts team has teamed together to offer three weeks of the SNAP! Summer Academy, a music theatre workshop for young people aged 8-16, being offered in village colleges across the district. Join the Summer Academy at Swavesey Village College and you will work with a professional team from SNAP! Creatives on scenes from *Guys 'n' Dolls*.

You don't need any experience, but you do need to be enthusiastic, willing to work hard and have lots of fun! The SNAP! Academy involves daily classes in movement, drama, voice training and ensemble rehearsal. There will be plenty of time for socialising and, on the Friday afternoon, an opportunity to give a live performance of your work to family and friends.

Cost: £90/week; Reduced fee of £80/week for additional children in the same family

When: Monday to Friday, 31st July-4th August, 9:30-17:30 (open from 8:30)

For more information about the SNAP! Summer Academy please contact your Arts Development Manager, Gillian Hunter on 01954 234476 or gillian.hunter@swaveseyvc.cambs.sch.uk

You can also find out more about the Summer Academy on the new South Cambs Arts website: www.southcambsarts.org.uk.

If you know of any arts (music, dance, theatre, art or literature) events happening in the area that you would like to see advertised for free to people across the district, contact Gillian to have your event added to the website.

Who to contact if you should find any dead birds

Until further notice, cases of dead wild birds previously reported to the police should be referred to the Defra Helpline on 08459 33 55 77 (8.30am to 8.00pm) and choose the Avian Influenza option.

The Defra website defines a significant find to be:

One or more dead swans/wild fowl (ducks and geese), more than three dead birds of the same species in the same place or more than five dead birds of different species in the same place (excluding obvious road deaths).
